

FAA Safety Team presents:

# **AOPA - Rusty Pilot Seminar**

Life may have gotten in the way, but the dream of flight can be yours again. Returning to the skies is not as difficult as most rusty pilots think. We're inviting you back in the cockpit and will help you get there. Come and participate in a FREE Rusty Pilots program with fellow lapsed pilots. We will help you understand what's changed in aviation since you've last took the controls and brush up on your aviation knowledge. The Rusty Pilots program is developed by AOPA in partnership with local flight training providers in order to create the best environment for getting you back in the air and a part of the general aviation community.

It is easier than most people think: No FAA checkride or test Medical may not be required

**Directions:** From the North: Interstate 82 south to exit 36. Turn right onto Valley Mall Blvd. Turn left on South 16th Ave. Turn right on Ahtanum Rd, then right on So. 21st.
